

A THANK YOU TO ALL

Members of the Fishing Clinics for Kids would like to thank the following partners, sponsors, agencies, businesses, individuals and organizations who contributed to the success of the 2010 Buffalo Days Kids Fishing Event. It was a record crowd for kids.

We are a non-profit organization and our philanthropy is for a child never to pay for one of our events. We want them to become acquainted with the GREAT OUTDOORS so they can enjoy themselves with their families.

Listed below are all the people we are grateful to:
